Parking for Hirers

- Free parking is offered to hirers paying the reduced hire rate. A terminal inside the hall allows hirers to enter attendees' VRMs.
- Parking remains subject to availability.

Car Park Management During Events

Hirers must ensure public access to the car park is maintained at all times, unless prior permission has been granted to close it.

Car Park Closures

Hirers may request exclusive use of all or part of the car park for the following fee:

- **£20** for the front section (approx. 10 cars if double-parked)
- **£100** for the whole car park (up to approx. 30 cars if double-parked)

A terminal inside the hall allows attendees to enter their VRMs instead of paying to park.

Hirers are requested not to park immediately in front of the defibrillator, as access to this life-saving equipment must be maintained at all times.
